

Cathedral Church of the Advent

We are a church with a living, daring confidence in God's grace through the gospel of Jesus Christ. It is not in self-confidence that we live. It is in Christ-confidence. We exist to proclaim the freeing power of the gospel of Jesus Christ and to make disciples wherever God has placed us.

What is Arc Fellows?

Arc Fellows is a 10-month program for recent college grads, aged 21-24, living and working in Birmingham, who desire to grow in their relationship with Christ and have Christian community. As an Arc Fellows, you will get to grow in Christian community through weekly Bible studies, a service role in the church, mentorship, and monthly socials.

Being an Arc Fellow will give you an opportunity to immediately get plugged in to a community and a church home as you transition from college— all while living and working in Birmingham! It is our hope that as an Arc Fellow, you will experience lasting Christian community and deepen your relationship with Jesus Christ.

Whether you were really involved in Christian fellowship in college or whether you see Arc Fellows as a chance to reconnect with the church and the Lord, our prayer is that throughout your time as an Arc Fellow God would grow you in love and knowledge of him and your neighbor.
